Alive News

Issue #2

Here at St. Teresa

Alive in Christ will do great things for our parish. Through this historic undertaking we aim to do the following through our campaign efforts:

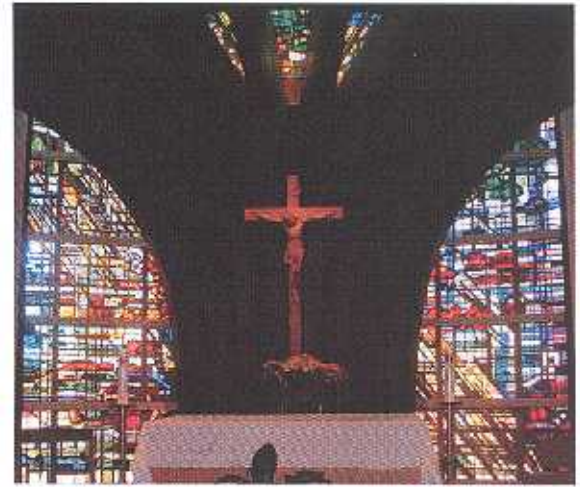

- NEW CARPET AND TILE THROUGHOUT THE CHURCH
- NEW ALTAR AND AMBO
- LIGHTING AND SOUND SYSTEM

Each parish in the diocese will participate and the campaign will provide services and programs at the diocesan level, as well. The campaign has received tremendous support thus far from dedicated Catholics like you. Our team is confident that by working together with God's people, our campaign will be successful.

It Takes You!

The campaign has received tremendous support thus far from dedicated Catholics like you. Already, we have a number of advocates helping share the message of *Alive in Christ*: Melinda Tinsley, Campaign Chairperson; Karen Downs, Campaign Manager; Kenny Jimenez, Youth and Young Adult (YA2) Chairperson; Sr. Yvonne, Prayer Chairperson; Jerry Allender, Judy Allender, and Pedro Carmona, Committee Members; Tom Ferrara, Jack Ehrig, Teresa Bohuszewicz, Terry Lee, Matt Horner, Al Jimenez, Adriana Hass, Kelly Hernandez, Pedro Carmona, and Mike Summerfield, Pastoral Council. Please thank them for their dedication.

To reach every one of our parishioners, we need the help of many dedicated partners. If you are willing to share your time and talent with our parish, please contact the office at 268-3441.

Learn How We Impact the Larger Church Family

The estimated population growth in Central Florida is 65% over the next 20 years. Right now, our Catholic schools serve more than 15,000 students throughout our nine counties, providing them with an excellent education, immersion in a life of faith, and a strong moral foundation – a powerful combination for forming future Catholic leaders and community servants. Unlike other private schools, Catholic schools are committed to remaining open and accessible to all families, regardless of their economic means.

To continue this standard of Catholic education, we must expand to serve ever-increasing numbers of students throughout the diocese. The campaign will help finance the creation of a new regional school model and will establish permanent endowments to provide a steady and secure source of ongoing tuition assistance for Catholic schoolchildren whose parents deserve the support of the entire Church.

We are called to grow as spiritual beings through our prayers for the success of *Alive in Christ*.

But **grow** in grace and in the knowledge of our Lord and savior Jesus Christ. To him be glory now and to the day of eternity." (2 Peter 3:18)
