A Letter from our Pastor...

By now, most of our parishioners are well aware of our capital campaign, *Alive in Christ*. We've shared important information, vital statistics, faithful witnesses, letters, announcement and much more. However, we have received responses from only 16% of our registered households. I want everyone to have an opportunity to participate and hope that we have 100% of you standing with me, supporting our efforts.

As your pastor, I would prefer to meet one-on-one with everyone personally to receive your faith-filled response to my invitation. To expedite the process, I have commissioned a team of dedicated volunteers to receive decisions on my behalf. Please respond graciously to their calls and thank the volunteers for their time. I am very grateful to them for their enthusiastic commitment and to you for your continued support of our parish family.

Wishing you many abundant blessings from our Lord,

Fr. Phillip J. Segus, M.S.P.

Catholic Campus Ministry at the University of Central Florida provides a spiritual home to more than 12,000 on-campus and commuter students. Through *Alive in Christ*, the Diocese of Orlando will build a new Catholic Campus Ministry Center at UCF that will continue to enhance and nurture the spiritual life of students while serving as the central headquarters for campus ministry throughout the nine counties of our diocese.

Inspired by some of the most successful campus ministries in the United States, the new Campus Ministry Center will create an outreach to students to help them understand the richness of their faith, enhance their relationship with God, and expose them to the best of Catholic spirituality and tradition. It is our responsibility to provide our young people with a place to grow in their religious life while they grow in their intellectual life during the formative college years.

"The one who supplies seed to the sower and bread for food will supply and multiply your seed and increase the harvest of your righteousness." – 2 Corinthians 9:10
